

Student Membership Benefits and Application

The Government Finance Officers Association of Pennsylvania is the premier organization for individuals working in financial positions at all levels of government throughout Pennsylvania. A complimentary student membership allows you to network with government finance professionals in your area prior to graduation, paving the way for future employment.

Member Benefits

- Discounted pricing for education and networking at state and regional events
- Email notification of government finance job postings
- Access to volunteer mentors who can answer your questions about jobs in government finance
- A subscription to *The Ledger*, GFOA-PA's quarterly newsletter with information on practice, law, and legislative developments
- A members-only listserv that makes asking questions and sharing solutions simple
- Access to samples of policies, RFPs, and other documents on GFOA-PA's website
- And more!

GFOA-PA supports three Pennsylvania regions. Your student membership enrolls you in the state organization, as well as the region(s) associated with your school and home addresses.
